Product Description

DESCRIPTIONThe UNO FLEX card game is based on the well-known and popular UNO card game, but can be played more flexibly. With special cards, players can change the colour of a card to play it even when the actual colour doesn't match - a red 4 then flexibly becomes a green 4. Power cards and flex action cards make the game even more exciting! Perfect for families, parties and game nights, this is the perfect gift for UNO fans and card game lovers aged 7 and up.
