### Product Description

Charade Parade is a stormy mood game in which everyone has to guess and mime at the same time. Make room, keep the fragile objects away and get into the game!1. Choose a word from the four words on your card and mime it. Some are more difficult than others, but they score more points.2. At the signal, everyone mimes and tries to guess everyone else's mime at the same time (yes, all at once!).3. If someone finds your word... Or if you find someone else's word, you move forward as many spaces as the number of the word.Be careful, sometimes there are constraints that will spice up the game and distract the audience (hold your best yoga pose, bow to someone, mime in slow motion...) Who finishes the round the fastest?-Number of players 4 - 10 people-Suitable for ages 8 and up-Playing time 10 minutes-Packaging 180 x 140 x 40 mm
