Product Description

DESCRIPTIONPloc is a fast-paced dice game with luck, but also a lot of tactics. Will you beat your opponent in 2 games of tug-of-war? Every year, the two villages of Plockton and Broadford send their best athletes to compete in the tug-of-war. Well prepared, each village wants to win the duel. It's all about using your athletes at the right moment and showing strength when it counts. A little willingness to take risks is also necessary to emerge victorious. Whoever still has their athletes on the field at the end of two matches wins the game. **Important information** Caution!
