Product Description

Somewhere on this journey we will find a way back. Mr Paris, set a course. Home." Captain Kathryn Janeway
The Delta Quadrant Sourcebook provides game masters and players with a wealth of information to help them play and run adventures in the Delta Quadrant of the Star Trek universe. The Delta Quadrant Sourcebook includes: Details about the Federation after the war and the monumental voyage of the U.S.S. Voyager, advancing the timeline of Star Trek Adventures to the year 2379. Information about the many species of the Delta Quadrant, including the Hirogen, Kazon, Vidians, Malon, Voth, and even Species 8472, the inhabitants of Fluid Space. Detailed material on the Borg Collective, including its history, hierarchy, important locations, procedures and technologies. Twelve new species for players to choose from during character creation, including Ankari, Ocampa, Talaxians and even former Borg! A range of starships, including Kazon raiders, Voth city ships, Hirogen warships and a large collection of terrifying new Borg ships. Game master hints to guide and customise missions and journeys in the Delta Quadrant, as well as new non-player characters to enhance encounters.
