Product Description

The time has finally come: the wild young wolves are allowed to roam the village at night, wreak havoc and snatch sleeping villagers. However, the villagers are also extremely vigilant and plan together how they can track down the young wolves in their hiding places during the day. In this introductory version of the werewolf game, the two teams of werewolves and villagers compete against each other. Who is hiding in which house? Where are the dangerous werewolves? This werewolf game for children can be played with or without the accompanying free app. No moderator is required. The children can start playing straight away. The app creates a particularly edgy atmosphere and puts the children under time pressure by announcing the day/night phases. "Werewolves - Night of the Young Wolves" can be played quickly, is easy to understand and is adapted to the abilities of children aged 6 and over. Important notes: Attention! Not suitable for children under 36 months. - Number of players: For 2 to 6 players aged 6 and over - Playing time: 15 minutes - Format: 11.4cm x 13.6cm x 4.6cm - Weight: 360 g - Contents: 3 werewolf markers, 13 markers with people living in the village, 16 houses with closed doors, 16 houses with open doors, 6 dice (3 village dice, 3 werewolf dice), 1 day/night marker, 1 set of instructions
