Product Description

Leave the Mythic North and set sail for the mist-shrouded isles of Mythic Britain and Ireland. Explore the bustling streets of London and uncover the secrets of Rose House and the British version of society. Wander the isles and explore their moors in search of long-forgotten stories and remnants of the past. In this expansion to the award-winning Vaesen - Eerie Roleplaying Game in the Mythic North, you'll find a complete description of the supernatural British and Irish Isles, the stunning city of London and the countryside. This book was written by industry legend Graeme Davis and illustrated by Johan Egerkrans and Anton Vitus. - Information on the British variant of the society, its founders and headquarters. - A gazetteer of the metropolis of London, including adventure locations and secret societies. - An introduction to the mythology of Mythic Britain and Ireland, with information on a wealth of mythical locations on the islands. - A chapter describing mythical creatures. A chapter with descriptions of mythical creatures with rules values, background information, suggestions for your own mysteries and regional variants. - Three new mysteries for your game.
