Product Description

You are responsible for the economic and social development of a city. In RISE, however, you must always keep an eye on the well-being of your citizens. Because industrial progress often goes hand in hand with environmental pollution, and the income needed for further development, which is generated through tax or rent increases, can easily lead to resentment among the population... Variable bars, actions, events - all this leads to a multitude of possibilities that can trigger chain actions and turn a simple step into a sum of combinations. All of this makes RISE an exciting and ever-changing gaming experience that even absolute strategy fans will find difficult to calculate! The multitude of different combinations of development tracks, actions and events constantly create new game situations that constantly present you with new challenges. Important information! Caution! Not suitable for children under 36 months. Product details Item number: DLP01072 EAN: 4260184330775 Publisher: dlp games Product types: Board games, Connoisseur games Language: German / English Release date: November 2022 Number of players: For 2 to 4 players aged 10 and up Playing time: 30 to 45 minutes Format: 22cm x 31cm x 6cm Weight: 1500 g
