### Product Description

Welcome to the bustling world of MicroMacro! Discover the funfair with its many details and characters: a baby exploring the ghost train on its own, hat, duck and dry anglers, a kleptomaniac clown on the hunt, fortune tellers, wheels of fortune and Ferris wheels ... There's lots to see! The funfair landscape is a small section of the large game board of the award-winning co-operative detective board game MicroMacro: Crime City. Unlike the board game, this puzzle does not contain any criminal cases, but over 50 child-friendly search puzzles that you can solve after puzzling. -With 53 fun search tasks- One part of CrimeCity is now puzzlable- The unique black and white lock from MicroMacro presents you with completely new puzzle challenges- Playing time variable- Packaging 257 x 203 x 60 mm
