Product Description

A set of 3 new Characters for Thorgal: The Board Game. Multilanguage edition. The set includes miniatures, boards, and cards.- Petrov is a traveler and mercenary traversing lands and oceans. He is a brave warrior, and thanks to his powerful stature, he is not afraid of wounds that could kill a weaker one.- Tjahzi is a dwarf who has been friends with Thorgal for years. He is in touch with magic and possesses unique knowledge of various worlds. - Vigrid is one of the younger gods of Asgard, a friend of Aaricia, whom he saved from trouble more than once. He has a unique ability to change his appearance - he can turn into a dragon, a winged horse and even a spider.
