Product Description

They are black, mysterious and thoroughly evil: black stories - THE cult series from moses. The morbid, creepy, frightening and sometimes entertaining puzzles are about death and accidents that couldn't be more gruesome. The aim is to find out the stories behind the mysterious cases by guessing. Not always that easy...Are you ready for this ultimate true-crime puzzle collection of horror? Terrifying, unbelievably gruesome and hard at the limit: In the black stories serial killer you will find 50 murderous real crime cases that will make your blood run cold. And the most hair-raising thing about it: everything happened exactly like this, right down to the last limb... So it's not for the faint-hearted! Can you manage to solve the pitch-black cases? This is how it's played:
 The guessing team version:
 The card set contains 50 tricky, pitch-black puzzle cards for teenagers and adults, which have to be solved by asking clever questions. It's most fun to crack black stories together with friends. One person, the master, takes a card from the pile and reads out the short story on the front of the card. On the back of the card is the answer, which the master naturally keeps to themselves. Now the guessers have to "ask" themselves the answer to the story. The questions should be formulated in such a way that they can be answered with "yes" or "no". Spooky and fun guessing fun for small and large groups - can also be played digitally.
 Riddle pro game variant:
 Three riddle cards are solved per game. Only the game master knows the solution and the guessing team approaches it step by step by asking questions, guessing and puzzling ... as intended! But watch out: Particularly clever questions that lead to a hot clue are rewarded with point chips. Whoever has collected the most point chips at the end of the game wins!
