Product Description

The master of madness, bestselling author Sebastian Fitzek, constructs 50 razor-sharp, macabre cases that will get under your skin. Psychopathic protagonists from his thrillers are up to mischief here, as are eerie strangers whose murderous mindsets will make your blood run cold. Not for the faint-hearted! Will you manage to solve the 50 abysmal cases? They are black, mysterious and thoroughly evil: black stories - THE cult series from moses. The morbid, creepy, frightening and sometimes entertaining puzzles are about death and accidents that couldn't be more gruesome. The aim is to find out the stories behind the mysterious cases by guessing. Not always that easy...How to play:The guessing team variant:The card set contains 50 tricky, pitch-black puzzle cards for teenagers and adults, which have to be solved by asking clever questions. It's most fun to crack black stories together with friends. One person, the master, takes a card from the pile and reads out the short story on the front of the card. On the back of the card is the answer, which the master naturally keeps to themselves. Now the guessers have to "ask" themselves the answer to the story. The questions should be formulated in such a way that they can be answered with "yes" or "no". Spooky and fun guessing fun for small and large groups - can also be played digitally.Riddle pro game variant:Three riddle cards are solved per game. Only the game master knows the solution and the guessing team approaches it step by step by asking questions, guessing and puzzling ... as intended! But watch out: Particularly clever questions that lead to a hot clue are rewarded with point chips. Whoever has collected the most point chips at the end of the game wins!Text: Sebastian FitzekProduct details- Item no.:MOS90192- EAN:4033477901927- Publisher:Moses Verlag- Product types:Family games , Card games , Quiz games , Puzzle games- Theme:Black Stories- Language:German- Release date:June 2024- Number of players: For 2+ players aged 12+- Playing time:15 minutes- Format: 9.4cm x 13.3cm x 2.4cm- Weight: 190 g- Content:50 cards, 15 scoring chips+ 50 puzzles from the cosmos of bestselling author Sebastian Fitzek
