Product Description

Something is brewing in the magical universe of "Miracle Mix"! Brave sorcerer's apprentices are looking for a way out of a cave with mysterious barriers and hidden secrets. Only those who prove to be true masters of magic potions will find the right mixture and return to the longed-for daylight. The game board resembles a labyrinth in which the shortest paths are blocked by walls of flames, lightning grids and other treacherous barriers. They can be overcome with the right magic potions - but first you have to find the right mixture. As the players take it in turns to create their magical concoctions, the tension mounts. Whoever adds the last decisive drop to the potion overcomes the obstacle. The winner is the one who makes their way out of the cave the fastest.
