Product Description

Make 'n' Break - Around the WorldThe building game of the decade - now completely new! "Make 'n' Break" has a huge fanbase that can now look forward to a new generation of fast-paced action fun in 3D. And now "Make 'n' Break - Around the World" takes you around the world as you build the most famous structures. While brick after brick is placed as quickly as possible, the timer runs and sets the fast pace that nobody can escape."Make 'n' Break - Around the World" is an exciting challenge for young and old builders alike. Only those who can build the most famous buildings in the world quickly will win. In this classic building game, combination skills and dexterity decide whether the requirements set on the double-sided building cards can be fulfilled under time pressure. The new global building tasks really pack a punch and show that the new "Make 'n' Break" is even more international than before. Whether together or in the 2-player version: building remains varied! In this motor skills game, players learn to deal with speed, make lightning-fast decisions and - depending on the game variant - prove their teamwork skills.Important informationBatteries includedProduct details- Item number:RAV22473- EAN:4005556224739- Publisher:Ravensburger Verlag GmbH- Product type:Board games- Theme:Make'n Break- Language:- Release date:September 2024- Number of players:For 2 to 5 players aged 8 and over- Playing time:30 minutes- Format:19cm x 27.3cm x 5.5cm- Weight:700 g- Contents:1 timer, 20 wooden building blocks, over 50 double-sided building cards, 2 dice, 1 set of instructions
