Product Description

Lotti Karotti - special edition 50 years of the blue triangle Ravensburger is celebrating 50 years of the blue triangle! In this anniversary edition for ages 4 and up, players turn over cards to hop up the hill with their glittering rabbits. The goal is the carrot at the top of the hill. But the way there is full of surprises: Sometimes holes open up on the way in which - plop - bunnies disappear, sometimes the cheeky mole pushes them off the hill. And then a drawbridge and a gate make the path to the goal even more difficult! Who will reach the carrot first? Important information Attention! Not suitable for children under 36 months.
