Product Description

DESCRIPTIONScotland Yard is looking for Mr X. Will he escape or will the detectives catch him? In this compact version of the classic game, everyone gets to be Mister X in short rounds!The Mister X player receives a black ticket. The other players take on the role of the three detectives, regardless of how many players are involved. They all receive tickets with the vehicle side facing up. The chase begins from their starting position: Mister X moves first, then all three detectives.Mister x may use all means of transport without a ticket and travels along the coloured line to the next station. All three detectives draw and pay their ticket to Mr X. The ticket prices give points to Mr X. If he is in trouble, he can also take a dive with the Black Ticket, but this counts as minus points.The round ends either when Mister X has been caught or the detectives run out of tickets.Now add up the points for the tickets. After everyone has been Mister X once, it is determined who was the most successful.Important notesCaution! Not suitable for children under 36 months.Product detailsItem number: RAV22451EAN: 4005556224517Publisher: Ravensburger Verlag GmbHProduct types: Board gamesTheme: Scotland YardLanguage: German Release date: August 2024Number of players: For 2 to 4 players aged 8 and overPlaying time: 10 to 20 minutesFormat: 11.5cm x 18.3cm x 3.7cmWeight: 180 gContents: 1 game board, 28 tickets, 4 game pieces, 1 instruction booklet
