### Product Description

With a length of 285 mm, a height of 220 mm and a width of 235 mm, the RC Dino Monster Truck Three Thunder is an impressive model that not only impresses with its size, but also with its detailed, dino-like design. Equipped with robust rubber monster tyres, this truck takes on any challenge and effortlessly masters any terrain. The advanced 2.4 GHz remote control enables precise manoeuvres and guarantees fun without interference, even in groups of several players. Scope of delivery: 1 x RC Dino Monster Truck Three Thunder 1 x 2CH-GHz transmitter for smooth control 1 x USB charger for quick and convenient charging 1 x powerful 7.4V Li-Ion battery for long-lasting driving fun 1 x detailed instruction manual to help you get started This monster truck is aimed at children aged 8 and over and offers a perfect combination of learning aspects and entertainment. It is ideal for beginners and, thanks to its easy handling and robust construction, offers an excellent starter model for young RC enthusiasts. The truck is suitable for fast-paced racing both outdoors and indoors, encouraging social interaction and competitive play. Special features: Unique dino design: Gives the vehicle a wild look and sets it apart from conventional RC cars. Multiplayer-capable 2.4 GHz remote control: Enables exciting races without signal interference. Long-lasting battery and fast charging: Ensures minimum interruptions and maximum action. Customisable controls: Provides comfort for right- and left-handed drivers, so everyone can enjoy the full driving experience. Caution! Not suitable for children under 8 years.
