Product Description

An ancient stone was discovered in the dark caves of the Mythic North. Protected for thousands of years by the creatures who no longer dwell on this earth, these sacred stones were never meant to be found. But curiosity and greed are part of human nature and soon the exploitation begins with little regard for possible danger or consequences. The Saga of the Lost Mountain is an epic five-mystery campaign for Vaesen - Eerie Roleplaying Game in the Mythic North. Players are confronted with ancient mysteries, Norse tales, human intrigue and unspeakable horrors lurking in the shadows as they travel the North and slowly uncover the truth. The Saga of the Lost Mountain was written by actress and podcaster Ellinor DiLorenzo and is based on her podcast of the same name, but has been expanded and adapted for this official version. The book was beautifully illustrated by Johan Egerkrans and Anton Vitus. - Item no.: UHR06307 - EAN: 9783958672994 - Publisher: Uhrwerk Verlag - Product types: Books, Role-playing games - Subject area: Vaesen - Language: - Release date: November 2024 - Size: 2.5cm x 30cm x 22cm - Weight: 900 g
