Product Description

What would ORLÉANS be without Joan of Arc? In the Draw & Write version of the classic ORLÉANS, 2 - 5 players compete in direct exchanges or at a distance for the best character tiles so that their chosen strategy will lead them to victory. In the solo game, on the other hand, the heroic Joan of Arc tries everything to emerge victorious against you - the successful fighter won't make it easy for you! The Draw & Write game JOHANNA offers a completely new take on the classic ORLÉANS - consisting of a double-sided A4 pad, follower tiles, the usual ORLÉANS bag, pens and location cards - 1-5 players can compete with each other - either in direct dialogue or via video conference if everyone has a game pad. In the solo game JOHANNA, on the other hand, the individual player tries to defeat the heroic fighter and can choose between 3 different difficulty levels. As always, the design comes from the fantastic Klemens Franz, while Ryan Hendrickson and Reiner Stockhausen are responsible for the game.
