Trick 100 from Noris is the perfect game for anyone who wants to bluff, outbid and outwit their opponents. The game contains 110 cards, including the "100" as a powerful joker. With 2-6 players aged 8 and over, you compete to be the first to get rid of all your cards - but you can only do this if you skilfully outbid your opponents or fool them with a successful bluff! If you lay a card face down, the others have to decide whether to believe you or reveal your card. If you make a mistake, you draw three cards! This dynamic card game brings thrills and fun to every round. Whether it's a family evening or a get-together with friends - everyone gets their money's worth here! The creative minds behind Trick 100, Jordy Adan and Renato Simões, have created a thrilling mix of bluffing and tactics reminiscent of classics such as Mäxchen and Mau-Mau. Get ready for fast-paced card fun full of surprises!
