Product Description

The history of beer brewing goes back to ancient Egypt and Mesopotamia, and over the centuries different cultures and regions have developed their own unique beers - not least Germany, which is considered the "land of beer". At the start of industrialisation from around 1850, players develop their own small home brewery into a large brewery as master brewers by brewing more and more different types of beer, improving the brewing process with new achievements such as refrigeration machines or beer filters, increasing the efficiency of their workers and trying to score lots of victory points with beer deliveries and other actions to make their brewery number 1. Drinking beer is easy, but brewing it, distributing it and being better than the competition is a completely different matter ...Product details- Item no.:SPF32058- EAN:4260362320581- Publisher:Spielefaible- Product types:Board games , Kennerspiele- Language:German- Release date:October 2023- Number of players: For 2 to 4 players aged 12 and over- Playing time:75 to 100 minutes- Format: 21.8cm x 32cm x 8.5cm- Weight: 2150 gImportant informationCaution!Not suitable for children under 36 months.
