Product Description

Tales from Humblewood consists primarily of a gripping 5th edition adventure volume set in the colourful world of Humblewood. Immerse yourself in the mystical tree city with the richly detailed Alderheart Guide, which contains a wealth of information about the city's history, districts, guilds, festivals and local fauna. Learn about the historical origins of the Druidic Coven of Keepers, known throughout Humblewood, and find the main shops and travelling merchants throughout the forest. Five exciting adventures with ready-made characters let you get straight into the game. What stories will you tell? Contents of the box: - Hardcover book (US letter size) with over 200 pages of content - Reference card deck for NPCs, monsters and magic items - 4 double-sided environment and combat maps - 111 die-cut components with matching stands - Game guide with all the important information about the Humblewood setting The 5th edition core rules are required to play. Abridged basic rules from 5E are available to download free of charge from Pegasus Digital.
