Product Description

Lorakis - a continent full of dangers, opportunities, diverse cultures, legendary treasures and an eventful and rich history. We would like to accompany you on your journey through this continent, setting off on new adventures with you, getting to know new regions and organisations, meeting famous people or following the tracks of previously unknown creatures. Two adventures await you in this issue of News from Lorakis: In Heroesong (Hero's Degree 2), the adventurers follow the trail of a lost knight on the edge of the Arwinger Mark in search of an ancient heirloom and venture into the Northern Woods, the border region between the Mark and the dreaded Devastated Lands. In The Gardens of Marabeh (Heroic Degree 2), the adventurers accompany an artist to the borderlands between Aitushar and Badashan in search of the eponymous gardens, which many believe to be nothing more than a legend. What begins as a search for artistic inspiration.
