Product Description

Murder at the Table murder mystery dinner - a special evening with friends Invite friends to a murder mystery game at home for some murderous fun! Each player takes on an unusual role and is one of the main suspects in a murder case. You will discuss clues, laugh and try to uncover the culprit. The class reunion case The good old days are celebrated at the 2001 school reunion. But then the former head boy Ralf Simon is found murdered in the workroom. Can you solve the murder mystery together? Class reunion - the roles Yvonne Pfeffer used to be the prettiest and most popular girl in the class. Today she has her own PR company and likes to set the tone. Justus Mayring used to be the spoiled rich boy. Today he's an investor and married to Nicole. Nicole Mayring dated Ralf at school and was Yvonne's best friend. Today she is a mother of three, a housewife and married to Justus. Rüdiger Kranz has been the caretaker at Goethe-Gymnasium for decades. He's a real veteran and a bit of an oddball. Cornelia Sauer used to be the classic nerd. Today she is still a nerd and even recently won the Nobel Prize in Physics. Ingo Hofmann used to be the class clown. Today he is a single father and tells typical dad jokes. Lena Hofmann is Ingo Hofmann's 16-year-old teenage daughter and is not thrilled to be at her father's class reunion. General information The murder mystery dinner is for 5-7 players aged 16 and over. The murderer knows from the start that he is the murderer. The host does not know in advance who the murderer is and can actively play along. The host booklet tells you which roles are omitted. Role booklets do not have to be distributed in advance, there are links to invitations with all the necessary information. Important notes Caution! Not suitable for children under 36 months.
