Product Description

Murder at the Table murder mystery dinner - a special evening with friends! Invite friends over for a murder mystery game at home! Each player takes on an unusual role and is one of the main suspects in a murder case. You will discuss clues, laugh and try to uncover the culprit. The village disco case is set in the mid-1980s, full of neon lights, synth-pop and mullets. At the village disco "Fruchtig", everyone is looking forward to Friday night to dance to the awesome music and forget the worries of the week. But first a fire alarm spoils the exuberant party atmosphere and then, in the early hours of the morning, the body of Andi, aka DJ Pommes, is found in the ladies' room. The question that remains is: can you solve the crime together? Village disco - the roles Malte (23) is always pumping at the gym and thinks he's the new Schwarzenegger. Mrs Gruber (45) is a town councillor and Malte's mother. She would like to become the first female German Chancellor. Rosi (29) is co-owner and barkeeper of "Fruchtig". With her sharp tongue and wit, she is the heart of the disco. Lisi (23) is the village beauty. She has set her sights on making it big as a dancer. Jean-Pierre (27) has lived in the village for a few years and works as a French teacher. He likes to philosophise. Wolfi (24) is a punk rocker who seems very aloof but is a softie at heart. General information: The murder mystery dinner is for 4-6 players aged 16 and over. The host does not know in advance who the murderer is and can play an active part in the game. The host booklet tells you which roles are omitted. Role booklets do not have to be distributed in advance, there are links to invitations with all the necessary information.
