### Product Description

UNO Show 'em No Mercy is the most brutal UNO game yet! It has numerous additional cards with DEFINITELY harsher penalties (anyone want to draw 10 cards?) and new rules where players stack, swap and draw more cards than ever before! And there's even a mercy rule (yes, that's really ironic) if things get too tough. In this merciless version of the classic game, there are two ways to win: get rid of all your cards OR eliminate all other players from the game! Very important: If you only have one card left in your hand, you must call "UNO"!
