Product Description

The most important maps of Aventuria, compiled by the Imperial Derographical Society! This map set brings Aventuria to your gaming table in large format. Whether as a reference for the game master or as a handout directly for the players - the detailed Aventurian maps are indispensable for a successful game evening. Matching the Aventurian Almanac, the maps offer an overview of the fantastic continent of Aventuria and the world of Dere. In addition to the earthly Aventuria map, a region overview and a political map, the map set also contains in-game maps of Dere and Aventuria, which your heroes can use to plan their adventurous journeys directly at the game table. The wonderful collector's box with the silhouette of Aventuria also serves to store further DSA5 map material. The spacious box offers space for dozens of land and city maps.

Not suitable for children under 36 months.

The set contains the following maps:

- Detailed Aventuria Map, A1
- Poster map of Aventuria, A3
- B/W Aventuria map, A3
- InGame map of Aventuria, A2
- InGame map of Deres, A3
- Regional map of Aventuria, A3
- Political Aventuria Map, A2
