## GFNALIENS12EN - Aliens "Crass Fighting Machines" Expansion - English

from **22,26 EUR**

Item no.: 384975  
shipping weight: 0.10 kg  
Manufacturer: Gale Force Nine

### Product Description

This expansion offers new options for fighting the Xenomorph threat and adds even more badass characters to Aliens: Another Glorious Day In The Corps. Co-operative survival gameplay. These reinforcements will help your fireteam advance in the campaign missions or provide options for bug hunting. As your heroes investigate the threat on LV-426, they gain experience and hone their skills. Choose experience cards to supplement your character's skills, or build a well-rounded character to master each trial. The choice is yours if you make it to the extraction point alive...
