Product Description

This expansion brings the Sulacos dropship crew to Aliens: Another Glorious Day In The Corps co-operative survival game. Fly the "friendly skies" and you fend off alien stowaways while trying to rescue the survivors of the disaster in the air processing plant. On the ground, the two crew members provide technical support for your Marines in campaign missions and bug campaign missions and bug hunts, along with new Quartermaster experience points. Meanwhile, the Marines discover four new alien variants. The Brute, Guard, Scout and Skulker, add a new dimension to the xenomorph's urge to hibe absorb the occupants of Hadley's Hope.
