

Item no.: 395663

## 4262400850173 - Cryptic Nature extension "ISLANDS" (German)

from **14,21 EUR**

Item no.: 395663  
shipping weight: 0.40 kg  
Manufacturer: iDventure

### Product Description

The "Islands" expansion delivers fascinating cryptids from far-flung places: Iceland, Greenland, Shetland, Sardinia and Corsica. The new cryptids may be more difficult to catch, but they also offer great bonuses. In addition, you not only have new places to discover, but also a new way of travelling - namely by sea.
