Product Description

Heavy Metal. The name alone oozes brute force. Warriors on the stage of history fight for glory and honour - with axes and microphones! Bonds are forged and broken, empires rise and fall. And in the end, the only truth worth living for is metal. Your long hair flutters in the wind as you too set off on the path in search of fame and alcohol. Try to make it big and get that elusive record deal. You are a hero of your age. This is your story. Umläut - The Heavy Metal Roleplaying Game is a GM- and dice-free roleplaying game for anyone who has ever wanted to start their own metal band. Follow the rise of your band during rehearsals, gigs and internal disputes and start blatant publicity campaigns. Will you land the big record deal or will your album disappear into oblivion forever? Can you keep your band together when the going gets tough? Or will it self-destruct in an intoxicated clash of egos?
