

Item no.: 395661

4262400850135 - Cryptic Nature extension "FLORA" (German)

from **14,21 EUR**

Item no.: 395661
shipping weight: 0.40 kg
Manufacturer: iDventure

Product Description

The "Flora" expansion shows you the captivating world of cryptid plants and opens up new mechanisms: fulfil quests and strengthen your actions. Now you are not only a cryptozoologist, but also a cryptobotanist! Take samples of the legendary plants and cultivate them in the reserve to gain bonuses and a higher reputation.
