

Item no.: 395662

4262400850142 - Cryptic Nature extension "FLORA" (English)

from **14,21 EUR**

Item no.: 395662
shipping weight: 0.40 kg
Manufacturer: iDventure

Product Description

The Flora expansion takes you into the fascinating world of crypto plants and introduces new mechanisms: the fulfilment of quests and the improvement of actions. Now you are not only a cryptozoologist, but also a cryptobotanist! Take samples of legendary plants and cultivate them in the sanctuary to gain new bonuses and even more prestige.
