

Item no.: 395664

4262400850180 - Cryptic Nature extension "ISLANDS"

from **14,21 EUR**

Item no.: 395664
shipping weight: 0.40 kg
Manufacturer: iDventure

Product Description

The "Islands" expansion contains fascinating cryptids from far-flung places: Iceland, Greenland, Shetland, Sardinia and Corsica. The new cryptids may be more difficult to track down, but they offer valuable bonuses. In addition, there are now not only new locations, but also a new way of travelling - by sea.
