Product Description

3 in 1 rocking unicorn-SKU: 59256A cute rocking unicorn that you can ride on and that is also an interactive activity centre! The unicorn recognises movements thanks to a sensor and entertains the child with realistic sound effects, funny sentences and little songs. When the child strokes the spot on the unicorn's nose, it lights up and the unicorn interacts with the child and asks them to take care of it. The buttons on the mane teach letters as well as the names of the animals and their sounds, and the spinning roller can be used to learn simple numbers. The unicorn also teaches English words. With lots of songs and funny rhymes. It stimulates motor and language skills as well as emotional development. Conceived, designed and developed in Italy.
