### Product Description

RC Truck Mercedes-Benz Arocs My Little Digger - The ultimate construction site toy for young builders. The RC Truck Mercedes-Benz Arocs "My Little Digger" from Revell Control offers a unique play experience for young builders. With its outstanding level of detail, this product conveys a realistic feeling during play. It has been specially developed for children aged 4 years and over and perfectly combines fun and learning. With a length of 32 cm, a width of 12 cm and a height of 20 cm, the "My Little Digger" is ideal for small hands. The vehicle is controlled by a child-friendly 27 MHz remote control and reaches a speed of approx. 10 km/h - perfect for young drivers. In addition, the front lighting ensures that the fun never stops, even in poor lighting conditions. A particular highlight is the RC truck's working digger function, which is controlled via the remote control. The excavator body can be rotated manually, which provides even more interaction and fun. Scope of delivery: - RC Truck Mercedes-Benz Arocs "My Little Digger" - 27 MHz remote control - Li-Ion battery - USB charging cable - Detailed operating instructions. This product is ideal for beginners and offers a safe and entertaining introduction to the world of remote-controlled vehicles. It can be used both indoors and outdoors, making it the ideal companion for your child's every adventure. Special features: Highly detailed, licensed design: The RC truck impresses with its exceptional attention to detail and the officially licensed design, which realistically reproduces the Mercedes-Benz Arocs. Interactive excavator function: The remote-controlled excavator function and the manually rotatable excavator superstructure provide hours of fun and allow children to create their own little construction site. Long-life Li-Ion battery: The included battery offers an impressive 25 minutes of driving time and can be conveniently recharged via the included USB cable. Front lighting: The front lighting allows children to drive and play safely even in the dark. With the Mercedes-Benz Arocs "My Little Digger" RC truck, little ones can experience their own adventures on the construction site and develop their creative abilities and motor skills. Get this great toy and let your child's imagination run wild in the world of building and driving! - Width: 11.5 cm - Length: 28 cm - Height: 15 cm - Recommended age: 4 - Scale: 1:24
