Rolife presents a specially designed mini version of a doll's house for this Christmas. With snow-covered floor, a cosy fireplace in the room and a triangular roof decorated with a Christmas tree... It will accompany you to enjoy a wonderful Christmas.-?Open and close? The Christmas house has two different configurations so you can experience two scenes and unlock multiple play options. The transition from outdoor to indoor environment brings a unique Christmas surprise.-?Simplified Assembly? This Christmas house puzzle measures 4.92 x 3.54 x 7.17 inches and can be assembled in just 3 hours. If you want to decorate your room for Christmas, you can hang it on your door or place it on your table and fill your home with warmth and happiness.-?Christmas Gift? If you want to buy a Christmas gift, this is really a great choice. Whether you put it together with friends, your loved ones or alone, it will bring you joy and not worry you. If you lack creative gift ideas, give it a try!
