Product Description

William Birkin, the genius responsible for creating the G-virus, was once head of research at the Umbrella Corporation until agents were sent to steal his research. Severely injured and doomed to die, the brilliant scientist was forced to inject himself with his own virus to get revenge. Now he roams the ruins of Raccoon City as a horrifying mutated monster, a near unstoppable foe. Can you defeat William Birkin while trying to escape the nightmare? The core version of the game, this expansion introduces the terrifying Birkin Stage Two and Birkin Stage Four bosses - one of which is big enough to fill an entire play area! A copy of Resident Evil 2: The Board Game is required to play with this expansion. This expansion box contains:- 2 highly detailed plastic miniatures - 1 double-sided game board - 19 cards - 1 expansion booklet
