### Product Description

The Christmas Melody Tree is characterised by intricate details and a festive design with a wooden puzzle, making it the perfect addition to your Christmas decorations. The Christmas tree features detailed, lifelike elements such as Father Christmas, twinkling stars and beautifully wrapped presents, adding a magical touch to your Christmas decorations. Mechanical Music Box Christmas Melody Tree 3D Wooden Puzzle AMS01? Whimsical Christmas Inspiration? Inspired by the enchanting stories of Father Christmas, this DIY wooden puzzle set brings the magic of Christmas to life. The wooden Christmas music box plays a delightful melody as Father Christmas rides on his sleigh and brings joy to homes. Finished model size: 11.8" x 15.7".? Easy Assembly for All Ages? This miniature house music box kit is designed with user-friendly, snap-together parts that ensure convenient assembly. The injection-moulded parts eliminate the need for complex tinkering, while pre-cut stickers simplify assembly - no glue required! ? LED Light? Touch the switch once and the light turns on; touch twice more and everything turns off. ? Variable Play Methods? Touch the switch once and the light and music turn on. The train moves clockwise and Father Christmas turns anti-clockwise. Touch again. The music, train and Santa will stop and the lights will stay on. Touch again. Everything will turn off. Long touch can always turn everything off. ? Perfect Gift for the Holidays? Whether you're shopping for DIY enthusiasts, miniature collectors or someone looking for a relaxing home activity, this DIY Miniature Christmas House Set is a thoughtful and memorable gift. Ideal for Christmas, Easter, Thanksgiving, birthdays or New Year celebrations. ? Charming Home Décor? Once assembled, this Mayberry Street miniature music box will be an eye-catching addition to any bookshelf or living room. The intricate design and festive details make it a standout decoration for the holiday season. ? Top-Notch Customer Service?
