Product Description

The B-Files expansion brings six new action-packed scenarios to Resident Evil™2: The Board Game, providing players with new enemies, areas, events, items and over nine hours of additional gameplay. Just like before, you'll have to work with your allies in order to survive – but beware. These scenarios will provide a harsher challenge, and introduce a relentless new adversary who will ruthlessly pursue you from game to game... This Boxed Game Expansion Contains - 12 Highly Detailed Plastic Miniatures- 7 Double-sided Game Board Tiles- 61 Cards- 17 Tokens- 1 Expansion Booklet Trade Points The B-files bring hours of replayability to the Resident Evil™ 2: The Board Game (SFRE2-001) by providing players with a second completely unique campaign to challenge their skills. Featuring fan-favourite T-00 Tyrant in a terrifying game of cat and mouse hunting the survivors throughout the game. Certainly, one to excite any Resident Evil™ veteran. An easy upsell alongside Resident Evil™ 2: The Board Game (SFRE2-001). This massive expansion adds hours of game play and unique new challenges from the iconic Tyrant bosses. Sales Points A brand-new campaign for Resident Evil™ 2: The Board Game, featuring six new scenarios. Players must overcome two brand-new bosses; the pursuing T-00 Tyrant & T-103 Tyrant. Both with unique behaviour decks to challenge returning players. Building on the accessible and intuitive mechanics of Resident Evil™ 2 :The Board Game the B-files adds a new layer of difficulty for experienced players.
