Product Description

Pounce on your next roleplaying adventure as an intelligent feline bursting with character! From a Scottish Fold tinker mage to a Pixiebob barbarian, each kitty has been lovingly designed to represent a classic fantasy class. Now, they're ready to set sail! Inside this box you'll find six fully assembled, highly detailed miniatures ready to paint or play. These cats are compatible with all fantasy roleplaying games and can be used as player characters, companions, or familiars. The choice is yours! Whether you want to explore unusual islands in the Animal Adventures world with The Faraway Sea 5e-compatible sourcebook (sold separately), or add these fabulous felines to other fantasy campaigns, the only limit is your imagination! EXPAND YOUR ANIMAL ADVENTURES WORLD WITH THE FARAWAY SEA COLLECTION
