Product Description

Deutsche Version Beware the Red Phantoms, for even more than the other dire opponents you have encountered, they are not of this world. Drawn by the lure of humanity, they pass over in search of sustaining warmth, to challenge the heroic and foolish alike. The Phantoms expansion includes the following components: - 11x Invader Miniatures!- 10x Summon Miniatures!- New tokens and behaviour cards for both summons and invader! - New treasure to collect!
