Product Description

Confront not one but TWO iconic bosses from the DARK SOULS video games with this epic boss box. The Dancer of the Boreal Valley was once a former royal's distant daughter made to dance by the duplicitous Pontiff Sulyvahn. However, it soon became apparent a warrior's lot was her true calling, and she was sent abroad as an Outrider Knight. Though she became little more than a beast, some vestige of her former life as a dancer still remains. Smough, the Executioner, made up for his lack of grace with an enthusiasm for acts of great violence. His sinister gurgling chuckle has heralded the end for many a promising knight. There were even rumours the Executioner's prodigious strength stemmed from a tendency to devour his victims. But that couldn't possibly be true, could it? Prepare to die. Unleash two brutal boss encounters on your next RPG night with the gargantuan DARK SOULS: The Roleplaying Game. Inside this box is everything you need to confront two legendary bosses – Smough and the Dancer – at your next RPG session, with two huge, highly detailed minis on 75mm bases, and two 5e-compatible stat cards. Add these minis to any roleplaying campaign right from the box. Or paint and display them in your cherished display cabinet. The choice is yours! Will you survive a battle with two of the most formidable foes from the punishing DARK SOULS universe?
