Product Description

Carcassonne Safari - Board Game, for 2-5 players, from 7 years (DE Edition)

An animal placement game in the African savannah for 2 to 5 players, ages 8+ Tropical Heat lies over Africa. We go to the African steppe, where everyone is on the lookout for the popular large animals of Africa. Monkeys swing in the trees, lions rest in the shade of the trees, the heavy steps of the elephants shake the terrain. Many different animals cavort at the water holes, so it is always worthwhile to lie in wait there.

Carcassonne Safari is an independent game from the Carcassonne world. You don't need another game to play Carcassonne Safari. Go to the steppes of Africa and keep an eye out for monkeys, lions, zebras, elephants and giraffes. You will find them all gathered at the water holes.
