Product Description

Das Streben nach Glück: Nachbarschaft - Board Game for 1 - 5 Players (DE-Edition)

Become part of a community and make yourself popular in your neighbourhood, because only together are we strong.

We live in neighbourhoods where we work together with other people, tackle projects together, try out new things, gain experience and are part of a big whole. The people who surround us shape us and we shape them. Through our deeds we gain popularity or fall into oblivion.

What influence does our neighbourhood have on our constant pursuit of happiness? Neighbourhood is an expansion for The Pursuit of Happiness in which your actions affect your standing in the neighbourhood. The new Neighbourhood cards represent events that all players can act on and whose outcome you determine together. There is also enough material for a fifth player! And of course, you'll also get lots of new projects, items, activities, jobs, partners and lifeworks.

This special edition also includes mini-expansions with a total of 50 new promo cards: Friends, Perpetual Lifeworks, Pets and Freelancers!

Attention! The basic game is required to play!

Caution! Not suitable for children under 36 months!

- Players: 1 - 5 players, 12 years and up
- Game duration: 45 minutes
