## Product Description

Riverside: River Ride on Icy Shores - Dice Game (DE Edition)

You work for a struggling production company and this film is your last chance: bankruptcy and career end or breakthrough, that's the question here! Stick to your schedule and budget and create a film that stands out from the grey masses.

Roll Camera! takes you into the exciting world of film. Author Malachi Ray Rempen comes from the film industry and has put all his know-how, but also his very personal humour, into the game.

Slip into a variety of roles, such as director, producer or film star, and make a film so good that it redefines an entire genre or so bad that you just can't look away! Welcome to the world of filmmaking!

Caution. Not suitable for children under 36 months!

- Age: from 10 years
- Number of players: 1 - 4
- Game duration: 45 - 90 minutes
