Product Description

Building, bribing and extorting - the most fun for anyone who owns an amusement park! Do you love amusement parks? Then Unfair is just the game for you! Breathtaking attractions and a variety of strategic options ensure a high replay value. Unfair is a theme park building game by Joel Finch for 2 to 5 people, in which you build and upgrade impressively high attractions, realise secret goals on your blueprints and try to earn the most money. But watch out - your opponents might bribe the safety inspectors to close your rides or hire troublemakers to wreck your park! How will you return the favour? - 2-5 players - ages 10+ - 25 min per person
