### Product Description

A representation of three historical tanks from the Second World War, selected from the prestigious exhibition of the largest armour museums in Europe! With a set of COBI bricks you can create the following:- British Valentine IX tank from the Tank Museum- German Light Tank I from the German Tank Museum Münster- French Renault R35 main battle tank from the Musée des BlindésThe tank models have been carefully designed using the highest quality COBI bricks in a uniform 1:48 scale and are matched in size. The models have movable wheels and tracks as well as 360-degree rotating turrets. The terminal blocks are printed with characteristic markings and vehicle details. Models of historical tanks are easy to build. The entire building process is accompanied by simple and intuitive building instructions with a list of building blocks. When built, the British Valentine light tank is 14 cm (5.5 inches) long. Designed in the interwar period, the German Light Armoured Tank I was 8.5 cm long when built. The French R35 main battle tank, designed in the 1930s, was 9 cm (3.5 inches) long when built. The clamp building block set is the perfect starter pack to start an extraordinary collection of historical vehicles from COBI! The set is a great do-it-yourself souvenir and a reminder of an unforgettable visit to a huge tank museum. The vehicles are perfect for a collector's shelf or desk as well as a toy for younger fans of military technology. If you are an advanced fan of building blocks, the models will provide you with very interesting elements. Express your passion through building blocks and build history block by block!- 595 high-quality elements- manufactured in the EU by a company with over 20 years of tradition- meet the safety standards for children's products- fully compatible with other brands of building blocks- building blocks with imprints do not deform or fade during play or when exposed to temperature- clear and intuitive instructions based on drawings and symbols- model of the British Valentine IX tank from the Tank Museum- model of the German Panzer I tank from the German Tank Museum Münster- model of the French Renault R35 tank from the Musée des Blindés- dimensions of the Valentine IX tank (L x H): 14.5 cm (5.7 inches) x 7 cm (2.7 inches)- Tank I dimensions (L x H): 8.5 cm (3.3 inches) x 4.5 cm (1.8 inches)- Renault R35 tank dimensions (L x H): 9 cm (3.5 inches) x 5.5 cm (2.2 inches)- 8 years and over
