Product Description

Enlist a ragtag crew of pirates for your next roleplaying game! The Pirate Queen, Ysandre, captains a ship of misfits that's often spotted in the Faraway Sea. Along with her first mate, Charlamagne the bear, and raccoon crewmates, she scours the high seas for coveted magical items, helping any animals in need along the way. Inside this box are six fully assembled, highly detailed miniatures ready to paint or play. Encounter Ysandre and her crew as friendly non-player characters while you explore unusual islands with the Animal Adventures: The Faraway Sea sourcebook (sold separately). Or, use these swashbuckling characters in any roleplaying game. The only limit is your imagination! EXPAND YOUR ANIMAL ADVENTURES WORLD WITH THE FARAWAY SEA COLLECTION
