from **11,12 EUR**

Item no.: 388618

shipping weight: 0.10 kg

Manufacturer: Steamforged Games

Product Description

Time to roll! Lothric may be crumbling, but there are still many brave craftsmen supplying these wooden barrels. However, they are no match for the burly strangers who leave nothing but splinters in their wake. Who knows what's inside? With the Sinister Barrels terrain set developed for Dark Souls, you can play to win at your next tabletop session: The Roleplaying Game.
