Product Description

Uncover the secret of the theatre knights! In this epic campaign, the heroes must get to the bottom of an ancient secret of the theatre knights, learn more about the turbulent history of the goblins and face a dangerous cult that wants to seize control of the Bornland. They witness the tensions between Bornlanders and Norbarden, an incipient war campaign and the destruction of entire cities. The adventure takes the heroes across the land of the Born and Walsach to the Brazen Sword. The Nine-Fingered Claw is a revised new edition of the Theatre Knights campaign in two volumes, combined in a high-quality slipcase. Part 1 contains The White Lake, The Blue Book and The Black Forest. The three adventures are supplemented by the new scenario The Earthen Tower, the heroic works The Thorwhaler Drum and A Goblin More or Less as well as further additions within the individual adventures. Part 2 consists of the three adventures The Green Train, The Silver Weir and The Red Choir. It also includes the scenario The Wooden Throne, the heroic work Turnip Harvest and further supplements for the individual adventures. The contents of The Legacy of the Theatre Knights have also been incorporated into the campaign! Format: DIN A4, hardcover Number of pages: 580 pages Edition: DSA5
